

“Comings and Goings” Photo Release Form

Dear Kindergarten Parents,

As a part of our annual tri-school fundraiser, Great Gatsby, Spring Fling 2012, the three elementary schools are participating in a project to capture the kindergarteners and fifth graders as they transition to the next phase of their academic journeys. Both years are significant since they bookend the beginning and end of their elementary school years.

On Wednesday, February 15, photographer Brian Molyneaux will come to Havens to photograph Beach kindergarten students for **\$60** each as part of Spring Fling’s “Comings and Goings” Photo Project. We hope that you will participate in this important fundraiser. Brian will photograph the children in an outdoor setting and produce black and white 8”x10” matted portraits. These beautiful portraits will be displayed at the Spring Fling event, *Great Gatsby*, taking place on May 5, 2012, at the Rotunda in Oakland (or delivered to non-attendees following the event). ***These photos create an important source of revenue that will return directly to our elementary schools.***

Please return this form to your child’s classroom by Wednesday, February 8 to ensure you have a photo keepsake of your child from Beach School days. Make-up photo day is Wednesday, February 28. NOTE: *If we do not receive a signed release form, your child will not be photographed.*

Questions can be directed to Julie Braun at piedmonster23@gmail.com .

I plan to support this fundraising effort and give permission for my child to be photographed for the 2012 Spring Fling fundraiser.

Please visit the auction website at www.piedmontspringfling.org for payment information.

I would NOT like to purchase a Comings and Goings photograph – please do not photograph my child.

Child’s Name: _____

Parent/Guardian Signature: _____

Print Parent/Guardian Name: _____

*Spring Fling is an annual celebration of all three Piedmont elementary schools, bringing together the entire community in collaboration and revelry to support our children. The Spring Fling auction, taking place on May 5, 2012, is an important annual fundraiser with proceeds going directly to the schools to help sustain classroom aides, science, music, art, math computer, library activities and other vital programs. Spring Fling is one of the largest and most important annual fundraisers for the schools, second only to the Giving Campaign. Our goal for Spring Fling 2012 is 100% parent participation, whether by volunteering, donating/purchasing auction items, and/or attending the event. **Do your thing for Spring Fling!***
